Bio Metricattendance with AEBAS, we want to clarify some points, as follows.

1. After receiving show cause notice on 14/05/2025, we submitted our clarification on 16/05/2025.

Following difficulties we faced during period of 12th March 2025 to 16/05/2025 were as follows,

a. ADHAAR identification errors.
b. Connectivity problems with machine.

c. Due to loss of electricity, device shut down & server congestion. With repeated telephonic conversation & mail, we tried our best to sort out technical issues.

Meanwhile we have submitted number of complaints to service provider. After complaints the servicing authority sent us technician for repairing the instruments. On 22/07/2025 report says that Iris RD service reinstalled and configured. Some of our faculties face the problems related "showing capture error" & "Pending downloads" while Iris recognition through AEBAS. The related documents are attached with this letter & problem was informed to service provider. After complaint, the service provider again reported on 02/08/2025 device firmware was corrupted and power adapter was changed on the same day, Related documents are attached with this letter.

d. Since college is situated in Rural & Hilly area, there is no proper mobile network of any service provider.

e. College is situated 5 km away from city in MIDC area where we face regular problem with electricity.

ii) During the month of April, May & June the number of our teachers were

allotted NCISM Visitation confidential work & university duties like ...

a. Practical examiners,
b. Local Inspection Committee (LIC) for assessment of colleges.

iii) We had university vacation with duration 30/04/2025 to 08/06/2025.

Among this schedule, half of faculty members were on official sanctioned vacation leaves, as per university guidelines. So these vacation days can be reduced from total working days.

iv) Dr. Prajakta Amit Pundpal is joined on 1st August 2025. So her attendance should be considered from 1st August 2025 i.e. only 3 days instead of 103 days.

major concerned. The principal sustained the major points of their reply letter dated 07.08.2025 which are mentioned as under:-

1. Machine encountered various problems like
 - a. Adhaar identification
 - b. Connectivity problem
 - c. Power supply issues
 - d. Problem with server
 - e. Data corruption in the machine.

Majority of faculty faced issues like machine showing capture error and pending downloads. As a result the machine was inspected and re-configured. To counter check this issue a few faculty members were randomly called upon by the committee members and asked to mark their attendance in front of camera installed in the college premises. No problem of machine error was encountered and machine was found to be working satisfactory.

ii) Another reasons for low attendance submitted by the principal like:-

- Deputation of faculty members on official duties of NCISM/LIC for assessment of colleges.
- Half of faculty members going on university vacation from 30.04.2025 to 08.06.2025.
- 1 candidate resigned, another candidate going abroad and 1 female candidate being on maternity leaves.

However, the committee members were not fully satisfied and instead of individual reasons for the low attendance of majority of the staff was questioned upon.

v) Dr. Ganesh Sutar had resigned from college from 31st July 2025.

vi) Dr. AsmitaDeotale was maternity leave from 1st December 2024 to so" June 2025 for seven months as per her request.

vii) Dr. VijayalakshmiPatil (Chindak) is on long leave and went abroad from 1st June 2025 to i" October 2025. So please consider her leave.

viii) Evidence of CCTV footage is uploaded on mail drive of mail Id lkrbams@gmail.com for your reference.

ix) We are attaching leave applications and related documents of leaves also the MUHS university vacation schedule along with this letter. So considering all above points, we are submitting you the detailed data in excel format with related document of regarding the queries. We value the integrity of attendance managements system we humbly request you to consider our clarification & grand unconditional permission & opportunity to continue serving the society through bright doctor students with diligence and accountability. Sorry for inconvenience & thank you for your understanding. Kindly find the related attachment

The principal in her last attempt to justify the deficiencies tried to establish that the total number of working days arrived upon by the NCISM i.e. 103 working days is incorrect and should exclude the actual days of university vacation and duty leaves.

The principal finally re-submitted that:-

- The machine is fully functional now and working properly under CCTV surveillance **which was found to be correct and is affirmed by the committee members**
- The information pertaining to official vacation and leaves shall be reported to NCISM in advance by the college authorities so as to arrive at actual working days prior to any further visits by the NCISM. She also submitted to send the relevant documents to substantiate the clarifications. **The committee members rely upon the submissions made.**

Hence, in view of the facts mentioned above, final decision rests with higher authorities.
